This indicates my only option is definitely to print using PCL. The PPD on Ricoh's site is only for PostScript.

We've packed professional colour capability and advanced workflow technology inside a space-saving style...I require to print to a Ricoh Aficio 2035e printer that doesn't possess PostScript installed. Nowadays's companies naturally would like the competitive edge of digital colour... The Aficio™MP C2051/MP Chemical2551 provide the high-performance, eco-friendly solution... But numerous are worried about expenses. For others, valuable office room and environmental impact are usually also important issues.
